The Dances of Universal Peace are simple, meditative, joyous, multi-cultural dances that use sacred phrases, chants, music and movements to touch the spiritual essence within ourselves, and recognize it in others.*

No musical or dance experience of any kind is required, and everyone is welcome to join in. The DANCES focus on PEACE ~ creating a sense of solidarity and community, while celebrating the underlying unity of all the spiritual traditions of the Earth.

Come and be a part of the circle that connects all of humanity!
